

Upper Township Inline Hockey

Board Advertising Sponsorship

Upper Township Riptide is happy to announce advertising/sponsorship opportunities for the 2018 Inline and Street Hockey Seasons. We are offering 3'x5' sections of the boards that you can apply vinyl logos and web addresses of your business to. **The vinyl decals will be provided by the sponsor and applied to the boards by a member of Upper Inline Hockey Association.**

Contact Advantage Sign Shop for Printing your ad.

If continued sponsorship is desired the vinyl can be changed at any time by the sponsor or left alone until the sponsor sees fit. The rink is located at Amanda's Field in Upper Township and decals will be applied to the boards. There are many winter and summer hockey games each year including regular season, playoffs and many pick-up games. Also, Amanda's Field hosts many other functions where your businesses participation in the community will be seen such as Fourth of July fireworks, Upper Township Field days and many other great community events.

I would like to sponsor a 3'X 5' section of board for **\$100 for ONE YEAR.**
